**ORDER GRANTING JOINT MOTION TO CONTINUE JOINT STATUS
CONFERENCE AND HEARING**

Before the Court is the Joint Motion to Continue Joint Status Conference and Hearing filed by Plaintiff EMG Technology, LLC (“EMG”) and Defendants Apple Inc., American Airlines, Inc., Dell, Inc., Hyatt Corporation, Marriott International, Inc., Barnes & Noble, Inc., Microsoft Corporation, Scottrade, Inc., Southwest Airlines Co., Priceline.com, Inc., Zagat

Survey, LLC, and Comcast Corporation (collectively, “Defendants”). The Court, having considered the motion and good cause appearing, finds that the motion should be GRANTED.

Accordingly, the Court ORDERS that the joint status conference and hearing previously set for January 4, 2010, is continued until February 1, 2010, or the next date that is convenient for the Court. EMG and the Defendants will meet and confer and file a joint status report four (4) days before the rescheduled joint status conference and hearing identifying any disputed issues that need to be discussed at the status conference and each party’s position on consolidation.

In addition, in view of Defendant Apple Inc.’s Motion to Vacate the Deadlines in the Docket Control Order and Discovery Orders and For a Case Management Conference (Docket No. 199 in Case No. 6:08-cv-447), all existing deadlines in the Court’s Docket Control and Discovery Orders in Case No. 6:08-cv-447 between the date of this Order and the date of the rescheduled joint status conference are continued until the rescheduled joint status conference and hearing.
